Resolution on the annual progress report on the forest administration in the Presidency of Bengal for the year ending the 31st March 1936.

GOVERNMENT OF BENGAL.

Department of Agriculture and Industries.

Forests.

Calcutta, the 2nd February 1937.

RESOLUTION—No. 162For.

Read—

The annual progress report on the forest administration in the Presidency of Bengal for the year ending the 31st March 1936.

Read also—

The reports of the previous three years and the Government resolutions thereon.

Mr. E. O. Shebbeare was in charge of both the circles from the 1st April to the 14th April 1935. Thereafter, Mr. W. Meiklejohn from the United Provinces who was appointed to officiate as the Conservator of Forests, Bengal, held charge of the circles for the rest of the year.

2. *Area.*—The total area of reserved forests fell from 6,471 to 6,468 square miles, the decrease being mainly due to the exclusion of 2,595 acres from the non-Araipara Chakra portion of the Atia Forests in the Dacca-Mymensingh Division on account of the unwillingness of the proprietors of the forests to keep them under Government management. There was an increase of 147 square miles in the area of protected forests consequent mainly on the declaration of khas forests in the Chittagong Division as protected forests. The area of unclassed forests remained unaltered. As a result of these changes the total area of all forests (excluding leased lands) at the close of the year stood at 10,802 square miles or 14·03 per cent. of the total area of the Presidency as against 10, 658 square miles in the year 1934-35.

3. *Communications and buildings.*—The need for economy hampered the development of communications and for want of funds no new roads and bridges were constructed during the year. The total expenditure incurred in the construction of new buildings was Rs. 30,700 against Rs. 12,690 in the previous year. The bulk of the expenditure was, however, spent on the construction of houses for subordinates. The increase was due to the fact that in previous years on account of financial stringency all such work was held up.

4. *Working plans.*—The revised working plan for the Kalimpong Division which was brought into force during the year was under print. The prescriptions of the sanctioned working plans were followed as far as circumstances permitted, and all deviations were duly authorised. In the Chittagong Division the prescriptions of the working plan which was under revision were followed.

5. *Damage from natural causes.*—Climbers did their usual damage in high forests as well as in plantations. Regular creeper cutting operations could not be done for want of funds though steps were taken to remove and burn the worst varieties of climbers. The Assam *lota* was eradicated wherever it appeared on forest land. To prevent insect-pests on *champ* the suggestions of the Forest Entomologist for spraying experiments with a solution of tobacco and soap are being given an exhaustive trial.

Several landslips occurred during the year. The most serious landslip in the Soom Forest of the Darjeeling Division was, however, arrested by a part of it being planted up.

The erosions of the Tista and Torsa rivers have become annual occurrences, that of the Torsa being more serious. The matter is engaging the attention of Government.

6. *Utilisation.*—The value of the total outturn of the produce extracted departmentally was Rs. 3·95 lakhs against Rs. 3·60 lakhs in

1934-35. The demand for sleepers and match wood was poor throughout the year. Match woods—Simul and Pitali were supplied to the match factories in Calcutta at a small and doubtful profit. The Forest Utilisation Officer continued to do useful work in finding markets for purchasers' timber as well as for timber extracted departmentally.

A special feature of the report under review is the excellent results obtained by the exclusive use of the Bengal timber in the Government House, Darjeeling, which had to be reconstructed during the year due to the damage done to it by the earthquake of 1934. Some of the important woods used in the interior of the new building are *Panisaj* (*Terminalia myriocarpa*), *Pakkasaj* (*Terminalia tomentosa*) and *Sissoo* (*Dalbergia sissoo*). *Panisaj*, which is light in colour and resembles light oak in appearance, gives a cheerful effect in the staircase hall, landing and all the doors of the building; *Sissoo*, which is an excellent timber and very handsome, gives a warm tone in the breakfast and dining halls; *Pakkasaj*, though a little hard to work, gives a delightfully rich appearance in His Excellency's study. It is gratifying to note that all the timber used in the building has given most excellent results in spite of the very trying climatic conditions of Darjeeling.

7. *Revenue and expenditure.*—The revenue, expenditure and surplus are compared below with those of the previous year:—

	Revenue.	Expenditure.	Surplus.
	Rs.	Rs.	Rs.
1934-35 ..	17,82,542	14,90,019	2,92,523
1935-36 ..	20,10,406	15,53,316	4,57,090

8. *General.*—During the year, 29 persons were killed by tigers against 45 in the previous year. Six men against five in 1934-35 were killed by wild elephants. No persons were killed by leopards though five men were reported to have been mauled by them during the year. Rs. 200 was paid as rewards for tigers killed outside the reserved forests of Sunderbans.

The shooting and fishing associations in the Northern Bengal continued to take keen interest in the preservation of game. The collection of tolls for fishing in the rivers within the reversed forests in the district of Khulna amounted to Rs. 15,618 against Rs. 12,839 in the previous year.

The thanks of the Governor in Council are due to Messrs. Shebbeare and Meiklejohn for their successful administration of the forest circles. His Excellency in Council also notices with pleasure the record of good work done by other officers of the department mentioned in the report.

Order—Ordered that a copy of the above resolution be published in the *Calcutta Gazette*.

Ordered also that a copy of the above resolution be forwarded to the Conservator of Forests, Bengal.

Dacca, the 6th February 1937.

Third and Final Report on the Winter Rice Crops of Bengal, 1936-37.

(*Note.*—On an average of the five years ending 1934-35, the area under winter rice in Bengal has represented some 17·8 per cent. of the total area under rice in India.)

Character of the season.—The period covered by this forecast is that of the harvest during which weather conditions were favourable except in the districts of Nadia, Jessore, Rajshahi and Faridpur, where the low land crop was affected by flood.

Acreage.—According to District Officers' estimates, the total area under winter rice is 15,803,600 acres as compared with 14,836,900 acres of last year.

Outturn.—From the summary of the district returns appended, it will be seen that seven districts report a bumper crop, eleven districts a normal crop, five districts a crop varying from 92 to 98 per cent. and the remaining four districts only below 92 per cent. of the normal. According to the above estimates the provincial outturn works out to 106 per cent. of the normal as against 68 per cent. of last year.

Accepting 106 per cent. as the provincial outturn, the gross yield of the crop, on the basis of a normal yield of 13½ maunds of clean rice per acre, is estimated at 8,307,500 tons this year as against 5,003,400 tons in last year.

Director of Agriculture, Bengal (offg.).

In the nomination paper the candidate will subscribe himself as assenting to his nomination, and shall in filling his nomination papers deposit with the Executive Officer a sum of Rs. 100, the failure to deposit which shall render the nomination void. The sum deposited shall be forfeited if the candidate withdraws his candidature within seven days of the date fixed for the election or if he fails to secure at the election at least ten per cent. of the votes cast.

(*b*) The Executive Officer shall, not less than eighteen days before the date of election, scrutinise the nomination papers after giving three days' notice of the date, place and hours fixed for the purpose by publication in the cantonment office. He shall record his decision in the form. He shall, not less than sixteen days before the day fixed for election, publish a list of candidates whose nomination papers have been found valid in the same Form B at the cantonment office, and shall, not less than seven days before the date for election, also publish a revised list of candidates in the same manner as the original list, containing all the alterations and amendments made in such original list by order of the Officer Commanding the station under rule 16. The revised list thus published shall be the final list of candidates for the election.

16. Any person who applied under rule 15 and whose name is not published in the list of candidates or who disputes the claim of any other candidate to be on the list published by the Executive Officer under rule 15 may apply to the Officer Commanding the station in writing within two days of the date of publication of the list of candidates for an order to have his name included in or any name omitted from the list, and the Officer Commanding the station shall make such order as to the insertion or omission of the name as appears to him to be just and the Executive Officer shall, upon receipt of a copy of such order which shall be delivered to him by the Officer Commanding the station not less than seven days before the date of election, give effect to the same, and such order shall be final.

V.—*Manner of holding election.*

17. The elections and casual elections shall be held on such dates as may be fixed by the Local Government and notified in the *Calcutta Gazette.*

18. In the event of the number of candidates for election in a cantonment or in any ward of it not being greater than the number of vacancies such candidates shall be deemed to be elected. If the number of candidates exceeds number of vacancies a poll shall be held.

19. The poll shall be held at such time and place as the Officer Commanding the station may determine, and the place at which and the hours between which the votes will be recorded shall be notified by beat of drum, and by the publication of notices at the same time as the list of candidates is published under rule 15.

20. After the second hour mentioned in the notice referred to in rule 19 no elector shall be admitted within the building or enclosure within which the election proceedings are being held, but the votes of all duly enrolled electors who are already within the building or enclosure shall be recorded.

21. Every elector shall be entitled to vote for the ward in which he ordinarily resides, or in which he is assessed to pay the rates in a cantonment in which there are wards and for no other.

He shall be entitled to give as many votes as there are vacancies for the ward in the Cantonment which is divided into wards and for a Cantonment which is not divided into wards he shall be entitled to give as many votes as there are vacancies.

He shall not give more than one vote to any one candidate.

22. The Officer Commanding the station shall appoint a polling officer, who is not himself a candidate for election, to preside at the election at each polling station. If the polling officer for any reason fail to attend, the Officer Commanding the station shall appoint another fit and proper person who is not himself a candidate for election to take his place.

23. All votes shall be given in person and no votes shall be received by proxy or in writing.

24. On the morning of the election day the polling officer shall be supplied with a ballot box provided with an aperture for receipt of voting papers, a copy of the electoral roll, and a bound book or books of voting papers serially numbered in foil and counterfoil, one voting paper for each voter entered in the roll.

25. The voting paper shall be printed in Bengali or English or both, in Form C annexed to these rules, and shall contain the names of all the candidates arranged alphabetically in the order of their surnames.

26. (1) On the day of the election the polling officer shall admit to the polling station the candidates and such agents as may be selected by the candidates to assist in the identification of voters, provided that there shall be present at one time, in addition to the candidates, not more than one agent of each candidate.

(2) Besides candidates and their agents only voters and such persons (if any) as may be admissible under special directions given by the polling officer shall be admitted to the polling station.

27. The candidates and their agents shall not speak to or address any intending voter in the polling station, but may submit to the polling officer objections to a voter on the following three grounds:—

First—That his name is not on the electoral roll of the ward or cantonment, if there are no wards, as the case may be, in respect of which the election is being held.

Second—That his claim to be a certain voter shown on the electoral roll is false.

Third—That he has already voted.

28. The procedure for recording each voter's vote shall be as follows:—

(*i*) As each intending voter enters the poling station, his name and his number in the electoral roll shall be called out so that everybody present can hear them.

(*ii*) No objection to a voter shall be entertained except on the grounds mentioned in rule 27.

(*iii*) Such objection shall be summarily decided by the polling officer, who may for this purpose obtain such evidence as may be available on the spot.

(*iv*) If after taking such evidence the polling officer is satisfied that the voter is entitled to vote, he shall hand him the foil of a voting paper and allow him to proceed to vote.

(*v*) The number of the voter in the electoral roll shall be marked on the counterfoil of the voting paper.

(*vi*) The voter on receiving the voting paper shall forthwith proceed to the place set apart for the purpose and there mark a cross against the name of the candidate or candidates for whom he intends to vote. He shall then fold the voting paper so as to conceal his vote and shall put the voting paper, so folded up, into the ballot box. He shall vote without undue delay, and shall quit the polling station as soon as he has put the voting paper into the ballot box.

(*vii*) If the voter is unable to read the voting paper, or to make a cross thereon, the polling officer shall mark the vote on the voting paper according to the direction of the voter. The voter shall then put the voting paper folded up into the ballot box.

29. Immediately before the commencement of the poll the polling officer at any polling station shall show the ballot box to be used at the poll to such persons as may be present in such station, so that they may see that it is empty and he shall then lock it up and place his seal upon it in such manner as to prevent its being opened without breaking such seal, and shall keep it so locked and sealed. On the conclusion of the poll the ballot box shall be opened and the votes counted in the presence of the candidates or their agents by the polling officer and the polling officer shall then and there declare the candidate or candidates as the case may be, to whom the largest number of valid votes has been given, to be elected and report the result of the election to the Executive Officer. He shall also seal up the book of counterfoils and unused foils of voting papers and make it over to the Officer Commanding the station, who shall keep it sealed in his own custody till it is destroyed under rule 34.

30. Any voting paper which is not duly marked or on which a mark is placed in such a manner as to make it doubtful to which candidate it has been given or on which any mark is made by which the voter may afterwards be identified shall be invalid.

31. If there be an equality of votes for the same vacancy, and if the number of vacancies does not admit of all the candidates who have obtained an equal number of votes being elected, the election of one of such candidates shall be made by lot to be drawn by the polling officer in such manner as he may determine.

32. In the event of any candidate being elected for more than one ward, in a cantonment in which there are wards, he shall, within five

days from the date of election, declare which ward he will represent; and if he fail to make such declaration, the Officer Commanding the station shall forthwith declare the ward which such candidate shall represent, and in either case such candidate shall be held to be elected in the ward in respect of which either of such declaration has been made, and in every other ward in which the said candidate has been returned, the result of the election shall be determined as if no votes had been recorded for him, provided that if there is no other candidates for whom votes have been recorded to fill the vacancy thus caused, a fresh election shall be held.

33. When the voting papers have been scrutinized and counted they shall forthwith be replaced in the ballot box from which they were taken, and the box, after being locked and sealed with the cantonment seal, shall be kept by the Executive Officer in safe custody.

34. On the expiry of fifteen days from the date of declaration of the result of election, the voting papers in the ballot box and the sealed book containing unused voting papers and counterfoils in the custody of the Officer Commanding the station shall be destroyed in the presence of the such member of the Board or officers as the members at a meeting may appoint for this purpose.

35. The name or list of duly returned candidate or candidates, as the case may be, for the whole cantonment shall be forwarded by the Executive Officer to the District Magistrate, who will forward the same to the Local Government for publication in the *Calcutta Gazette*.

VI.—*Disputes.*

36. All disputes arising under these rules shall be decided by the Officer Commanding the station, and his decision shall be final. A breach of these rule renders a person liable to the penalty provided by section 268 of the Act. The offence of personation, of undue influence and of bribery at an election are punishable under sections 171E and 171F of the Indian Penal Code, 1860, as amended by the Indian Elections Offences and Inquiries Act, 1920 (XXXIX of 1920).

(1) The rate of Re. 1-15 shall be levied per acre of which the raiyats, including persons holding non-agricultural tenancies, shall pay annas 15-6 pies per acre and their landlords of all grades together annas 15-6 pies per acre.

Common lands, such as rivers, roads, khals, burning ghats, etc., shall be excluded from assessment, but not tanks even if used for irrigation.

(2) Landlords shall pay the raiyats' share for lands in their khas possession and raiyats shall pay the full raiyati rate for lands covered by their holdings.

(3) Rent-free holders whether of the grade of raiyats or tenure-holders shall pay the whole of the landlords' share for their lands.

(4) As between the different grades of landlords, the landlords' share shall be apportioned thus:—

(*a*) permanent tenure-holders whose rent or rate of rent is fixed in perpetuity shall pay their own share of the cost and that of the landlords superior to them;

(*b*) other permanent tenure-holders and temporary tenure-holders whose lease has over fifteen years to run shall pay three-fourths of the landlords' share and their landlords shall pay the remaining one-fourth;

(*c*) temporary tenure-holders whose lease has fifteen years to run shall pay 15/16ths of the share which they would pay in accordance with (*b*) above if they were permanent tenure-holders and if less than fifteen years, proportionately according to the number of years of the lease to run;

(*d*) temporary tenure-holders who do not hold on a lease or for a fixed term shall pay half of the landlords' share.

Explanation.—The calculation shall be made from the lowest grade of landlords immediately above the raiyats. The period for which the lease of the tenure or under-tenure is to run, is to be reckoned in each case from the close of the agricultural year in which the record is finally published.

(5) Under-raiyats having a right of occupancy or protected by section 48C(*e*)(*i*)(*1*) or (*2*) shall pay at the rate of annas 15-6 pies per acre, while other under-raiyats will pay at annas 6 for a tenancy or part of a tenancy recorded in one village.

(6) Jalkardars shall pay at the rate of half anna per rupee of rent multiplied by the number of years the jalkar has to run, divided by 16. In jalkars having more than fifteen years to run and in permanent jalkars the rate shall be half anna per rupee. The minimum charge for jalkar khatian shall be four annas.

(7) Usufructory mortgagees shall pay the costs if the mortgagee has sixteen years to run or more. If less than sixteen years the cost will be divided proportionately to the number of years out of sixteen to run between mortgagor and mortgagee.

(8) The calculation should be made—

(*a*) to the nearest anna;

(*b*) area less than 50 decimals should be charged for 50 decimals. Above 50 decimals and up to one acre should be taken as one acre;

(*c*) for the broken areas over one acre, the fraction should be calculated to the nearest multiple of 50 decimals;

PART VI

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly, and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 25th January 1937:—

L. A. BILL No. 1 OF 1937.

A Bill further to amend the Indian Boilers Act, 1923, for certain purposes.

WHEREAS it is expedient further to amend the Indian Boilers Act, 1923, for the purposes hereinafter appearing; It is hereby enacted as follows:— V of 1923.

Short title and commencement.

1. (*1*) This Act may be called the Indian Boilers (Amendment) Act, 1937.

(*2*) It shall come into force on such date as the Governor General in Council may, by notification in the Gazette of India, appoint.

Application of Act.

2. The Indian Boilers Act, 1923 (hereinafter referred to as the said Act), shall, in its application to British India, including British Baluchistan and the Sonthal Parganas but excluding Burma, be amended in the manner hereinafter provided. V of 1923.

Amendment of section 2, Act V of 1923.

3. In section 2 of the said Act, after clause (*a*) the following clause shall be inserted, namely:—

"(*aa*) 'Board' means the Central Boilers Board constituted under section 27A;".

Insertion of new section 27A in Act V of 1923.

Central Boilers Board.

4. After section 27 of the said Act the following section shall be inserted, namely:—

"27A. (*1*) A Board to be called the Central Boilers Board shall be constituted to exercise the powers conferred by section 28.

(2) The Board shall consist of fourteen members, namely:—

(a) a chairman to be nominated by the Governor General in Council;

(b) one member to be nominated by each of the Local Governments of Madras, Bombay, Bengal, the United Provinces, the Punjab, Bihar, the Central Provinces, Assam, the North-West Frontier Province, Sind, Orissa and Delhi; and

(c) one member to be nominated by the Chief Commissioner of Railways.

(3) Any vacancy occurring in the Board shall be filled as soon as may be by a nomination made by the authority by whom the member vacating office was nominated.

(4) The Board shall have full power to regulate by by-laws or otherwise its own procedure and the conduct of all business to be transacted by the Board.

(5) The powers of the Board may be exercised notwithstanding any vacancy in the Board."

Amendment of section 28, Act V of 1923.

5. In section 28 of the said Act,—

(a) for the words "Governor General in Council", in both places where they occur, the word "Board" shall be substituted; and

(b) after clause (a) the following clause shall be inserted, namely:—

"(aa) for prescribing the circumstances in which, the extent to which, and the condition subject to which variation from the standard conditions laid down under clause (a) may be permitted;".

STATEMENT OF OBJECTS AND REASONS.

The Government of India Act, 1935, assigns the subject of "Boilers" to the concurrent field. While the Central Legislature will, after 1st April, be able to legislate in that field, the power of making regulations, which is an exercise of executive authority, will vest in the Provincial Government except in so far as the regulations relate to railways, in which case the Central Government will be responsible. It is most undesirable from the point of view both of industry and of administration that there should be a series of separate codes; but the frequent modifications in the code necessitated by the constant developments in boiler practice cannot, without great inconvenience, be achieved by continual legislation. The Bill accordingly provides for the constitution of a Central Board which will have the authority to make regulations which is at present exercised by the Government of India. The powers at present vested in Provincial Governments will not be affected. The proposal was discussed at the Industries Conference held in Lucknow in December 1936 and secured general approval.

The Bill also provides an amendment to section 28 which will make it possible to permit variations in special circumstances from such standard conditions as may be prescribed for the construction of boilers.

Amendment of section 38, Act IX of 1910.

5. In section 38 of the said Act,—

(*a*) sub-section (*3*) shall be omitted, and

(*b*) sub-section (*4*) shall be re-numbered as sub-section (*3*).

STATEMENT OF OBJECTS AND REASONS.

The Government of India Act, 1935, assigns the subject of "Electricity" to the concurrent field. While the Central Legislature will, after 1st April, be able to legislate in that field, the power of making rules, which is an exercise of executive authority, will vest in the Provincial Governments except in so far as the rules relate to railways, mines and oil fields, in which case the Central Government will be responsible. It is most undesirable from the point of view both of industry and of administration that there should be a series of separate codes; but the frequent modifications in the code necessitated by the constant developments in electrical practice cannot without great inconvenience, be achieved by continual legislation. The Bill accordingly provides for the constitution of a Central Board which will have the authority to make rules which is at present exercised by the Government of India. The proposal was discussed at the Industries Conference held in Lucknow in December 1936 and secured general approval.

*The Governor-General has been pleased to accord the sanction required by section 67(2) of the Government of India Act.

THE SCHEDULE—*contd.*

ENACTMENTS REPEALED—*contd.*

[*See section 6 (1)*]—contd.

Year.	No.	Short title.	Extent of repeal.
		Acts of the Governor General in Council—contd.	
1901	XI	The Amending Act, 1901.	So much of the First Schedule as relates to the Madras Inland Customs Act, 1844, and the Madras Inland Customs (Amendment) Act, 1893.
1920	XXXVIII	The Devolution Act, 1920.	So much of the First Schedule as relates to Act XXIX of 1857.
		Acts of the Indian Legislature.	
1934	XIV	The Sugar (Excise Duty) Act, 1934.	Sub-section (2) of section 6.
1934	XXXII	The Indian Tariff Act, 1934.	Section 7.
		Madras Act.	
1893	II	The Madras Inland Customs (Amendment) Act, 1893.	The whole.
		Bombay Acts.	
1915	III	The Bombay Decentralization Act, 1915.	The Second Schedule.
1921	II	The Bombay Short Titles Act, 1921.	So much of the Schedule as relates to the Bombay Land-customs Act, 1857.

STATEMENT OF OBJECTS AND REASONS.

In view of the existing definition of 'foreign territory' the Indian Land Customs Act, 1924, does not apply to the frontiers of Indian States. It has therefore been necessary to utilise the provisions of the Bombay Land Customs Act, 1857, in connection with the land-customs lines which have been established on the frontiers of Kathiawar and Cutch. Experience has shown that the Bombay Act is seriously defective in several respects, and it is therefore proposed that the all-India Act should now be made applicable to all frontiers.

2. It is also proposed that sections 88 and 168 of the Sea Customs Act should now be included in the list of sections which apply to the land frontiers. Section 88 gives the customs authorities power to dispose of unclaimed goods and section 168 gives power to confiscate vehicles used for the conveyance of smuggled goods. It has been found that these powers are required by the land customs officers.

3. The proposed amendments will not in any way prejudice the treaty rights of the States and do not imply any intention of extending or increasing the existing land customs lines. Their purpose is merely to secure uniformity in customs administration throughout India.

Abstract of the Payment of Wages Act, 1936, and the Rules made thereunder.

Whom the Act affects.

1. The Act applies to the payment of wages to persons in this factory receiving less than Rs. 200 a month.

2. No employed person can give up by contract, or agreement, his rights under the Act.

Definition of wages.

3. "Wages" means all remuneration payable to an employed person on the fulfilment of his contract of employment.

It includes bonus and any sum payable for want of a proper notice of discharge.

It excludes: –

(*a*) the value of house accommodation, supply of light, water, medical attendance, or other amenity or of any service excluded by the Governor-General in Council or the Local Government;

(*b*) the employer's contribution to a pension or provident fund;

(*c*) travelling allowance or concession or other special expenses entailed by the employment;

(*d*) any gratuity payable on discharge.

Responsibility for and method of payment.

4. The manager of the factory is responsible for the payment under the Act of wages to persons employed under him, and any contractor employing persons is responsible for payment to the persons he employs.

5. Wage-periods shall be fixed for the payment of wages at intervals not exceeding one month.

6. Wages shall be paid on a working day within seven days of the end of the wage-period (or within ten days if 1,000 or more persons are employed).

The wages of a person discharged shall be paid not later than the second working day after his discharge.

7. Payments in kind are prohibited.

Fines and deductions.

8. No deductions shall be made from wages except those authorised under the Act (*see* paragraphs 9—15 below).

9. (1) Fines can be imposed only for such acts and omissions as the employer may, with the previous approval of the Chief Inspector of Factories, specify by a notice displayed at or near the main entrance of the factory and after giving the employed person an opportunity for explanation.

(2) Fines—

(*a*) shall not exceed half-an-anna in the rupee;

(*b*) shall not be recovered by instalments, or later than sixty days of the date of imposition;

(*c*) shall be recorded in a register and applied to such purposes beneficial to the employed persons as are approved by the Chief Inspector of Factories;

(*d*) shall not be imposed on a child.

10. (*a*) Deductions for absence from duty can be made only on account of the absence of the employed person at times when he should be working, and such deductions must not exceed an amount which is in the same proportion to his wages for the wage period, as the time he was absent in that period is to the total time he should have been at work.

(*b*) If ten or more employed persons, acting in concert, absent themselves without reasonable cause and without due notice, the deduction for absence can include wages for eight days in lieu of notice, but:—

(1) no deduction for breaking a contract can be made from a person under 15 or a woman,

(2) there must be a provision in writing which form part of the contract of employment, requiring that a specific period of notice of intention to cease work not exceeding fifteen days or the period of notice which the employer has to give to discharge a worker, must be given to the employer and that wages may be deducted in lieu of such notice.

(3) The above provision must be displayed at or near the main entrance of the factory.

(4) No deduction of this nature can be made until a notice that this deduction is to be made has been posted at or near the main entrance of the factory.

(5) No deduction must exceed the wages of the employed person for the period by which the notice he gives of leaving employment, is less than the notice he should give under his contract.

11. Deductions can be made for damage to or loss of goods expressly entrusted to an employed person or for loss of money for which he is required to account, where such damage or loss is due to his neglect or default.

Such deduction cannot exceed the amount of the damage or loss caused and can be made only after giving the employed person an opportunity for explanation.

12. Deductions can be made, equivalent to the value thereof, for house accommodation, amenities, or services (other than tools and raw material) supplied by the employer, provided these are accepted by the employed person as a part of the terms of his employment and have in the case of amenities and services been authorised by order of Government.

13. (*a*) Deductions can be made for the recovery of advances, or for adjustment of overpayment of wages.

(*b*) Advances made before the employment began can only be recovered from the first payment of wages for a complete wage-period but no recovery can be made of advances given for travelling expenses before employment began.

(*c*) Advances of unearned wages can be made at the paymaster's discretion during employment but must not exceed the amount of two months' wages without the permission of an Inspector.

These advances can be recovered by instalments, ordinarily spread over not more than twelve months and the instalments must not exceed ⅓rd, or if the wages are not more than Rs. 20, ¼th of the wages for any wage-period.

14. Deductions can be made for subscription to and for repayment of advances from any recognised provident fund.

15. Deductions can be made for payments to co-operative societies approved by the Local Government or to the postal insurance, subject to any conditions imposed by the Local Government.

Inspections.

16. An Inspector can enter on any premises, and can exercise powers of inspection (including examination of documents and taking of evidence) as he may deem necessary for carrying out the purposes of the Act.

Complaints of deductions or delays.

17. (1) Where irregular deductions are made from wages, or delays in payment take place, an employed person can make an application in the prescribed form within six months to the Authority appointed by the Local Government for the purpose. An application delayed beyond this period may be rejected unless sufficient cause for the delay is shown.

(2) Any legal practitioner, official of a registered trade union, Inspector under the Act, or other person acting with the permission of the Authority, can make the complaint on behalf of an employed person.

(3) A single application may be presented by, or on behalf of, any number of persons belonging to the same factory the payment of whose wages has been delayed.

Action by the Authority.

18 The Authority may award compensation to the employed person in addition to ordering the payment of delayed wages or the refund of illegal deductions.

If a malicious or vexatious complaint is made, the Authority may impose a penalty not exceeding Rs. 50 on the applicant and order that it be paid to the employer.

Appeal against the Authority.

19. An appeal in the prescribed form against a direction made by the Authority may be preferred, within thirty days (in Calcutta to the Court of Small Causes) to the District Court :—

(*a*) by the paymaster if the total amount directed to be paid exceeds Rs. 300;

(*b*) by an employed person, if the total amount of wages withheld from him or his co-workers, exceeds Rs. 50;

(*c*) by a person directed to pay a penalty for a malicious or vexatious application.

Punishments for breaches of the Act.

20. Any one delaying the payment of wages beyond the due date, or making any unauthorised deduction from wages is liable to a fine up to Rs. 500, but only if prosecuted with the sanction of the Authority or the Appellate Court.

21. The paymaster who,—

(1) does not fix a wage-period, or

(2) makes payment in kind, or

(3) fails to display at or near the main entrance of the factory this Abstract in English and in the language of the majority of the employed persons, or

(4) breaks certain rules made under the Act,

39. (1) The Court may order the winding up in accordance with the Indian Companies Act, 1913, of any insurance company and the provisions of that Act shall, subject to the provisions of this Chapter, apply accordingly. VII 191

(2) In addition to the grounds on which such an order may be based, the Court may order the winding up of an insurance company—

(a) if with the sanction of the Court previously obtained a petition in this behalf is presented by shareholders not less in number than one-tenth of the whole body of shareholders and holding not less than one-tenth of the whole share capital or by not less than twenty policy-holders holding policies that have been in force for not less than three years and are of the total value of not less than twenty thousand rupees; or

(iii) that it appears from the returns furnished under the provisions of this Act or from the results of any investigation made thereunder that the company is insolvent, or

(iv) that the continuance of the company is prejudicial to the interests of the policy-holders.

Voluntary winding up.

40. Notwithstanding anything contained in the Indian Companies Act, 1913, an insurance company shall not be wound up voluntarily except for the purpose of effecting an amalgamation or a re-construction of the company, or on the ground that by reason of its liabilities it cannot continue its business. VII of 1913.

Valuation of liabilities.

41. (1) In the winding up of an insurance company or in the insolvency of any other insurer the value of the assets and the liabilities of the insurer shall be ascertained in such manner and upon such basis as the liquidator or receiver in insolvency thinks fit, subject, so far as applicable, to the rule contained in the Sixth Schedule and to any directions which may be given by the Court.

(2) For the purposes of any reduction by the Court of the amount of the contracts of any insurance company the value of the assets and liabilities of the company and all claims in respect of policies issued by it shall be ascertained in such manner and upon such basis as the Court thinks proper having regard to the rules aforesaid.

(3) The rule in the Sixth Schedule shall be of the same force and may be repealed, altered or amended as if it were a rule made in pursuance of section 246 of the Indian Companies Act, 1913, and rules may be made under that section for the purpose of carrying into effect the provisions of this Act with respect to the winding up of insurance companies. VII of 1913.

Application of surplus assets of life insurance fund in liquidation or insolvency.

42. (1) In the winding up of an insurance company and in the insolvency of any other insurer the value of the assets and the liabilities of the insurer in respect of life insurance business shall be ascertained separately from the value of any other assets or any other liabilities of the insurer and no such assets shall be applied

to the discharge of any liabilities other than those in respect of life insurance business except in so far as those assets exceed the liabilities in respect of life insurance business.

(2) In the winding up of an insurance company carrying on the business of life insurance or in the insolvency of any other insurer carrying on such business where any proportion of the profits of the insurer was before the commencement of the winding up or insolvency allocated to policy-holders, if, when the assets and liabilities of the insurer have been ascertained, there is found to be a surplus of assets over liabilities (hereinafter referred to as a *prima facie* surplus) there shall be added to the liabilities of the insurer in respect of the life insurance business an amount equal to such proportion of the *prima facie* surplus as is equivalent to such proportion of the profits allocated to shareholders and policy-holders as was allocated to policy-holders during the ten years immediately preceding the commencement of the winding up and the assets of the insurer shall be deemed to exceed his liabilities only in so far as those assets exceed those liabilities after such addition:

Provided that, if in any case there has been no such allocation or if it appears to the Court that by reason of special circumstances it would be inequitable that the amount to be added to the liabilities of the insurer in respect of the life insurance business should be an amount equal to such proportion as aforesaid, the amount to be so added shall be such amount as the Court may direct.

Winding up of secondary companies.

(2) The commencement of the winding up of the principal company shall, save as otherwise ordered by the Court, be the commencement of the winding up of the secondary company.

(3) In adjusting the rights and liabilities of the members of the several companies among themselves the Court shall have regard to the constitution of the companies and to the arrangements entered into between the companies in the same manner as the Court has regard to the rights and liabilities of different classes of contributories in the case of the winding up of a single company or as near thereto as circumstances admit.

(4) Where any company alleged to be secondary is not in process of being wound up at the same time as the principal company to which it is alleged to be secondary, the Court shall not direct the secondary company to be wound up, unless, after hearing all objections (if any) that may be urged by or on behalf

of the company against its being wound up, the Court is of opinion that the company is secondary to the principal company and that the winding up of the company in conjunction with the principal company is just and equitable.

(5) An application may be made in relation to the winding up of any secondary company in conjunction with the principal company by any creditor of, or person interested in, the principal or secondary company.

(6) Where a company stands in the relation of a principal company to one insurance company and in the relation of a secondary company to some other insurance company or where there are several insurance companies standing in the relation of secondary companies to one principal company, the Court may deal with any number of such companies together or in separate groups as it thinks most expedient upon the principles laid down in this section.

44. (1) If at any time it appears expedient that the affairs of an insurance company in respect of any class of business comprised in the undertaking of the company should be wound up but that any other class of business comprised in the undertaking should continue to be carried on by the company or be transferred to another insurer, a scheme for such purposes may be prepared and submitted for confirmation of the Court in accordance with the provisions of this Act.

(2) Any scheme prepared under this section shall provide for the allocation and distribution of the assets and liabilities of the company between any classes of business affected (including the allocation of any surplus assets which may arise on the proposed winding up), for any future rights of every class of policy-holders in respect of their policies and for the manner of winding up any of the affairs of the company which are proposed to be wound up and may contain provisions for altering the memorandum of the company with respect to its objects and such further provisions as may be expedient for giving effect to the scheme.

(3) The provisions of this Act relating to the valuation of liabilities of insurers in liquidation and insolvency and to the application of surplus assets of the life insurance fund in liquidation or insolvency shall apply to the winding up of any part of the affairs of a company in accordance with the scheme under this section in like manner as they apply in the winding up of an insurance company, and any scheme under this section may apply with the necessary modifications any of the provisions of the Indian Companies Act, 1913, relating to the winding up of companies. VII of 1913.

(4) An order of the Court confirming a scheme under this section whereby the memorandum of a company is altered with respect to its object shall as respects the alteration have effect as if it were an order confirmed under section 12 of the Indian Companies Act, 1913, and the provisions of sections 15 and 16 of that Act shall apply accordingly. (*See* section 9.)

Regulations and Form for the preparation of Balance-sheet.

PART I.

REGULATIONS.

1. The balance-sheet required to be prepared in respect of every class of business carried on by an insurer is, in the form in which it is set out in Part II of this Schedule (Form A), appropriate to a case where the insurer maintains a separate fund in respect of life insurance business.

2. The balance-sheet of any class of business may be prepared as a separate document instead of being incorporated by the addition of columns and headings in the general balance-sheet, but the totals of each such separate balance-sheet (showing the total assets of the class of business, the balance at the credit of the life insurance fund or other separate fund or account, the amount of shareholders' undivided profits, and outstanding liabilities) must in any case be incorporated in the general balance-sheet.

3. If any combined balance-sheet is for any purpose issued by an insurer, it shall be in accordance with the Form set out in this Schedule, and there shall not be included among the assets shown in any such combined balance-sheet any amount in respect of any holding in or advance to any insurer whose assets and liabilities have been incorporated therein. Every combined balance-sheet must show clearly on the face thereof that it is a combined balance-sheet and must set out fully the name of every insurer whose assets and liabilities have been incorporated therein; if the assets and liabilities of any person not being an insurer are included in a combined balance-sheet the fact must be stated thereon.

4. Where any guarantee has been given by an insurer (otherwise than in the ordinary course of re-insurance business) in respect of the policies of any other insurer, the balance-sheet of the insurer by whom

the guarantee was given must show clearly the name of every insurer whose policies have been so guaranteed and the extent of the guarantee:

Provided that this regulation shall not apply where a combined balance-sheet is issued incorporating the assets and liabilities of the insurer whose policies are guaranteed.

5. Where any part of the assets of an insurer is deposited in any place outside British India as security for the owners of policies issued in that place, the balance-sheet shall state that part of the assets has been so deposited, and, if any such part forms part of the life insurance fund, shall show the amount thereof and the place where it is deposited. Where any combined balance-sheet is issued by an insurer for any purpose, the information required by this regulation shall be shown in the aggregate in respect of all the insurers whose assets and liabilities have been incorporated in the balance-sheet.

6. If the value as shown in the balance-sheet of the Investments in Stocks and Shares is in the aggregate greater than the market value thereof (after deduction of accrued interest included in market prices in those cases where accrued interest is included elsewhere in the balance-sheet), then such market value must be shown against the value shown by the balance-sheet, so stated as to make it appear what part thereof has been ascertained from published market quotations.

7. Every balance-sheet shall contain the following certificates, namely:—

(*a*) a certificate signed by the same persons as are required by this Act to sign the balance-sheet explaining how the values as shown in the balance-sheet of the Investments in Stocks and Shares have been arrived at, and how the market value thereof has been ascertained for the purpose of comparison with the values so shown;

(*b*) a certificate signed by the same persons as are required by this Act to sign the balance-sheet and signed also, so far as respects the value of any items shown in the balance-sheet under the heading of "Reversions and Life Interests," by an actuary, certifying that the values of all the assets have been reviewed as at the date of the balance-sheet, and that in their belief the assets set forth in the balance-sheet are shown in the aggregate at amounts not exceeding their realisable or market value under the several headings—"Loans," "Reversions and Life Interests," "Investments," "Agents Balances and Outstanding Premiums," "Interest Dividends and Rents outstanding," "Interest Dividend and Rents accruing but not due," "Amounts due from Other Persons or Bodies carrying on Insurance Business," "Sundry Debtors," "Bills Receivable," "Cash" and the several items specified under "Other Accounts:"

Provided that if the persons signing the certificate are unable to certify that the assets set forth in the balance-sheet are so shown as aforesaid, a full explanation of the bases upon which the values shown in the balance-sheet have been assessed shall be given in the certificate;

(*c*) a certificate signed by the same persons as are required by this Act to sign the balance-sheet and by the auditor certifying that no parts of the assets of the life insurance fund has been directly or indirectly applied in contravention of the provisions of this Act relating to the application and investment of life insurance funds; and

(*d*) certificates signed by the auditor (which shall be in addition to any other certificate or report which he is required by law to give with respect to the balance-sheet) certifying—

(*i*) that he has verified the cash balances and the securities relating to the insurer's loans, reversions and life interests, and investments;

(*ii*) to what extent, if any, he has verified the investments and transactions relating to any trusts undertaken by the insurer as trustee; and

(*iii*) in the case of a combined balance-sheet that he has audited the balance-sheet and accounts of every insurer whose assets and liabilities are incorporated therein, or that any such balance-sheet and accounts which have not been audited by him have been certified by independent auditors, the said certificate shall contain a reference to such reservations, if any, as may have been made by any auditor upon any report or certificate given by him with respect to the balance-sheet and accounts of any insurer whose assets and liabilities are incorporated in the combined balance-sheet.

8. If the values shown in the balance-sheet in respect of "Holdings in Controlled Companies" or "House Property (*a*) in India (*b*) out of India" have been increased since the last previous balance-sheet, the certificate required by paragraph (*b*) of the last foregoing regulation shall state the amount of every increase not solely due to the cost of subsequent additions or, as respects holdings in controlled companies, to increased profits, and shall contain an explanation of the reason therefor.

9. For the purposes of this Schedule the following expressions have the meanings hereby respectively assigned to them, namely:—

(*a*) "combined balance-sheet" includes any combined statement made by an insurer of assets and liabilities in the form of a balance-sheet which includes the assets and liabilities of any other insurer;

(*b*) "controlled company" means any company over the policy or management of which the insurer has power directly or in-indirectly to exercise decisive influence; and

(*c*) "market value" means as respects any asset the market value thereof as ascertained from published market quotations, or, if there be no such value, its fair value as between a willing buyer and a willing seller.

THE FOURTH SCHEDULE.

(*See* section 11.)

Regulations for the preparation of Abstracts of Actuaries' Reports and Requirements applicable to such Abstracts.

PART I.

REGULATIONS.

1. Abstracts and Statements must be so arranged that the numbers and letters of the paragraphs correspond with those of the paragraphs of Part II of this Schedule.

2. Where any table of mortality or sickness used in a valuation is not a published table, then, for the purpose of complying with paragraph 3 of Part II of this Schedule, specimen policy values must be given at the rate of interest employed in the valuation in respect of whole life insurance policies effected at the respective ages of 20, 30, 40 and 50, and having been in force respectively for five years, ten years and upwards at intervals of ten years; and similar specimen policy values must be given in respect of endowment insurance policies effected at the respective ages of 20, 30 and 40 for endowment terms of twenty and thirty years:

Provided that, where the specimen policy values required by this regulation to be given are the same as those given in any abstract prepared under Part II of this Schedule previously submitted by the insurer to the Superintendent of Insurance, it shall be sufficient in any abstract subsequently submitted to refer to the specimens so given in such manner as to enable the required information to be ascertained therefrom by the Superintendent of Insurance.

3. In showing the proportion which that part of the annual premiums reserved as a provision for future expenses and profits bears to the total of the annual premiums, in accordance with the requirement of paragraph 4 of Part II of this Schedule, no credit is to be taken for any adjustments made in order to secure that no policy is treated as an asset.

4. (*1*) The average rate of interest yielded in any year by the assets constituting a life insurance fund shall, for the purposes of paragraph 5 of Part II of this Schedule, be calculated by dividing the interest of the year by the mean fund of the year; and for the purposes of any such calculation the interest of the year shall be taken to be the whole of the interest credited to the life insurance fund during the year after deduction of income-tax (any refund of income-tax made during the year being taken into account), and the mean fund of the year shall be ascertained by adding a sum equal to one-half of the amount of the life insurance fund at the beginning of the year to a sum equal to one-half of that fund at the end of the year, and deducting from the aggregate of those two sums an amount equal to one-half of the interest of the year.

(*2*) For the purposes of the calculation aforesaid either—

(*a*) all profits and income arising during the year from sums invested in reversions shall be included in the interest credited to the life insurance fund during the year; or

(*b*) such portion of the life insurance fund as is invested in the purchase of reversions, and the profits and income arising therefrom, shall be excluded from the calculation; but in that case a statement must be added to the information required under the said paragraph 5, showing in respect of the portion of the fund so excluded as aforesaid, the average rate of annual profit and income for which credit has been taken during the five years last preceding the valuation date, and explaining the manner in which the said average rate has been calculated.

(*3*) The information given in accordance with the requirements of the said paragraph 5, shall show clearly by which of the methods hereinbefore in this regulation mentioned the sums invested in reversions and the profits and income arising therefrom have been dealt with.

5. Every abstract prepared in accordance with the requirements of Part II of this Schedule shall be signed by an actuary and shall contain a certificate by him to the effect that he has satisfied himself as to the accuracy of the valuations made for the purposes thereof and of the valuation data:

Provided that in the case of an abstract prepared on behalf of an insurance company, if the actuary who signs the abstract is not a permanent officer of the company, the certificate as to the accuracy of the valuation data shall be given and signed by the principal officer of the company and the actuary shall insert on the abstract a statement signed by him showing what precautions he has taken to ensure the accuracy of the data.

6. For the purposes of this Schedule the following expressions have the meanings hereby respectively assigned to them, namely:—

"extra premium" means a charge for any risk not provided for in the minimum contract premium;

"maturity date" means the fixed date on which any benefit will become payable either absolutely or contingently;

PART II.

REQUIREMENTS FOR STATEMENTS APPLICABLE TO LIFE INSURANCE BUSINESS.

The statements required to be prepared under this Part of this Schedule are as follows, namely:—

1. Statements, separately prepared in respect of policies with and without participation in profits, showing—

(*a*) as respects policies for the whole term of life, the rates of office premiums charged, in accordance with the published tables in use, for new policies giving the rates for decennial ages at entry from 20 to 70 inclusive; and

(*b*) as respects endowment insurance policies, the rates of office premiums charged, in accordance with the published tables in use, for new policies with original terms of ten, fifteen, twenty, thirty and forty years, giving the rates for decennial ages at entry from 20 to 40 inclusive, but excluding policies under which the age at maturity exceeds 60.

(*ii*) the amount per annum, after deducting abatements made by application of bonus, of office premiums payable, and of the corresponding net premiums, grouped in accordance with the grouping adopted for the purposes of the valuation:

Provided that—

(*a*) as respects endowment insurance polices which will reach maturity in less than five years, the information required by sub-paragraph (*b*) (*i*) of this paragraph must be given for each year instead of in quinquennial groups; and

THE SIXTH SCHEDULE.

(*See* section 40.)

Rule as to the valuation of the Liabilities of an Insurer in Insolvency or Liquidation.

The liabilities of an insurer in respect of current contracts effected in the course of life insurance business including annuity business, shall, subject to any directions which may be given by the Court, be calculated upon the basis of the rate of interest and rates of mortality and sickness upon which in the opinion of the liquidator or official assignee or receiver the like calculation could properly be based if the obligations under the contracts were to be fulfilled as and when they became due, taking into account the premiums which would be received under the contracts and such sum as, in the opinion of the liquidator or official assignee or receiver, is the lowest that could properly be assumed in respect of the office expenses and other charges which would be incurred in respect of the contracts.

STATEMENT OF OBJECTS AND REASONS.

The law relating to insurance in British India is contained in Act V of 1912, which regulates Provident Insurance Societies, Act VI of 1912, which regulates Life Assurance Companies, and Act XX of 1928, which amended the latter in certain respects but was primarily aimed at providing for the collection of statistical information in respect of insurance business other than life insurance business carried on in India by external companies.

2. The marked increase in the volume of life insurance business, and the development of other forms of insurance business in British India since 1912 soon suggested that more comprehensive legislation was needed. A Bill was prepared in 1925 to extend to other classes of insurance business the supervision already exercised over life insurance. The appointment in England almost simultaneously of a departmental committee presided over by Mr. A. C. Clauson, K.C., to report on the amendment of the Assurance Companies Act, 1909, on which the Indian Act VI of 1912 had been largely based, decided the Government of India to postpone that Bill, and await the legislation resulting from the Clauson enquiry. The enquiry, however, though completed in 1927, was not immediately followed by, and has not yet resulted in legislation in England, although the report of the committee contained a draft Bill embodying the recommendations of the committee for the re-enactment of the 1909 Act with extensive modifications. In the meantime Act XX of 1928 was passed by the Indian Legislature, and it was hoped that the information collected through it would be of value when the time came to consider the problems affecting Indian insurance.

3. In 1935 the Government decided to proceed with the reform of insurance law without waiting for the enactment of legislation in England. Mr. S. C. Sen was placed on special duty to examine the material which had been collected concerning the amendment of company law in general, and insurance law in particular. In 1936 the Indian Companies (Amendment) Act, 1936, was passed. The project of revising the law of insurance was at once taken up. A small advisory committee of experts representing various interests was assembled in the autumn of 1936 to consider in detail the various recommendations contained in Mr. Sen's report. This Bill embodies the proposals which Government has decided to submit to the Legislature after consideration of Mr. Sen's recommendations and the opinions of the advisory committee.

4. The draft Bill includes in one enactment the subjects dealt with by the two separate Acts of 1912, but relegates the provisions relating to Provident Insurance Societies to a separate Part.

It provides *inter alia* for the following matters. It increases the supervision exercised over all concerns transacting insurance business of whatever kind in British India, whether these are indigenous concerns, or external companies represented in India by branches or agencies, and treats agents acting for Lloyds' underwriters on the same basis as such branches or agencies. Registration formerly unnecessary except for Provident Insurance Societies is proposed for general application, and the principle of exacting deposits, hitherto applied only to indigenous companies transaction life insurance business, has been similarly extended. The amount of the deposit has been increased with the object of more effectively discouraging the formation of companies inadequately financed, and where the business of life insurance is to be carried on a minimum net sum of Rs. 50,000 is required as working capital. Provision is made for full disclosure of the information required to ensure sound principles of finance and management. Powers to enforce punctual submission of returns and to ensure their accuracy, and additional powers of inspection of insurance

companies are taken. External companies are required to keep in their principal offices in British India the accounts and other documents by which their returns concerning their business in India can be checked. Certain restrictions are imposed on the investment of the funds of insurance companies, and external concerns are required to keep a portion of their assets invested in Indian Government securities. The existing provisions of the law relating to winding up of insurance companies, and to the amalgamation and transfer of insurance business have been enlarged. Provisions have been inserted to regulate the assignment and transfer of policies of life insurance and the making of nominations. Power is given to companies to pay into Court moneys due under a policy where there is difficulty in securing a proper discharge. It is proposed to prohibit the employment of Managing Agents in future, and to bring existing Managing Agencies to an early end. In order to secure fair treatment for Indian insurance companies operating in foreign countries power is taken to subject the nationals of a foreign country to any restrictions that are imposed in that country on Indian insurance concerns operating there. Certain proposals are put forward aimed at checking the practice of rebating and the payment of excessive commission. These include provision for the licensing of insurance agents. The administration of the Act will be carried out through the Superintendent of Insurance, who will normally be the Government Actuary. To him also is assigned the supervision of Provident Insurance Societies.

5. The provisions relating to Provident Insurance Societies subject these to much more effective supervision than has hitherto been exercised. The name adopted by any such society will indicate its status. Business on the dividing principle is prohibited so that societies dependent on this class of business will disappear. A minimum initial working capital is required, and the principle of deposits is applied. The rules of a society will disclose fuller information of the working of the society. All schemes of insurance operated by a society are to be subjected to actuarial examination so that unsound schemes may be eliminated, and periodical actuarial investigation must be made into the financial condition of the society. Proper books of account must be maintained, and the accounts must be audited. Separate classes of business must be brought separately to account, and a separate fund must be maintained in connection with a particular group of contingencies. Assets are further protected by a provision requiring the investment in trust securities of a certain percentage of the total assets. Increased powers of inspection and inquiry are taken. Other features of this Part are the application to policies issued by Provident Societies of the provisions governing transfer and assignment of life insurance policies and nominations. Liquidation procedure, formerly governed by rules made by the Local Government, is now to be provided for in the Act itself.

NOTES ON CLAUSES.

Clause 2. Definitions.—The definition of "actuary" enables the Governor General in Council to prescribe as at present the qualifications to be possessed. The existing rules made under section 39 of Act VI of 1912 will survive by virtue of section 24, General Clauses Act, 1897.

"Auditor."—*See* Mr. Sen's report, paragraphs 131 and 286.

"Insurance company."—This definition is inserted for the purposes of the winding up provisions, clauses 39 to 47.

"Insurer."—This definition follows the lines of the Clauson Draft Bill so far as sub-clauses (*a*) (*i*), (*ii*) and (*iii*) are concerned, but sub-clause (*a*) (*iii*) includes subsidiary companies as defined for the purposes of the Indian Companies Act.

Sub-clause (*b*) is meant to make local agents for Lloyds' underwriters liable to all the control provisions applying to other insurers. It seems necessary to exclude specifically the licensed agents referred to in clauses 33 to 36, who are "persons carrying on insurance business in British India," and it is necessary to exclude "provident societies" which are specifically dealt with in a separate Part. The insurers defined in clauses (*ii*) and (*iii*) of sub-clause (*a*) are Indian insurers. Any insurers not included in these will be non-Indian insurers. The subsequent provisions of the Bill relating to registration, deposit, actuarial valuation, keeping of accounts, submission of returns, etc., are drafted to apply equally to all insurers, but in certain cases, *e.g.*, clauses 9(*1*), 10, 11 and 13 as well as in clauses 48 to 50, special provisions have had to be made for non-Indian insurers. These have been distinguished from Indian insurers mostly by reference to the terms of this definition.

Of the definitions included in Act VI of 1912, the definitions of "life assurance business," "policy of insurance on human life," "policy-holder" and "policy" are omitted. No attempt has been made to define "fire insurance business," "marine

insurance business," "life insurance business" or "workmen's compensation insurance business" although definitions of these are in the 1925 Bill. It is not considered necessary to define these terms.

Clause 3.—This clause is intended to make registration the primary requisite, and to use the application for registration as a means of ensuring that—

(*a*) the necessary deposits have been made, and

(*b*) the requisite minimum working capital is available.

Sub-clause (*3*) supplies one means of securing reciprocal treatment in foreign countries. A further provision to this end is to be found in clause 48.

Sub-clause (*4*) is aimed at securing that an insurer shall not with impunity delay or fail to complete his deposits if he secures registration on making the preliminary deposit.

Clause 4.—This clause requires that there shall be a minimum working capital in the case of life insurance concerns of Rs. 50,000.

Clause 5. Deposits.—Sub-clause (*1*) fixes the amount of the deposit required for the four main classes of insurance business.

Sub-clauses (*2*) and (*3*) provide for payment of instalments.

Sub-clause (*4*) provides for utilising deposits already made under the 1912 Act.

Sub-clause (*5*) reproduces section 4(*2*) of the 1912 Act, but provides for the deduction of collecting charges about which there was some controversy under the old Act.

Sub-clause (*6*).—*See* Mr. Sen's report, paragraph 73 and clause 17 of the 1925 Bill.

Sub-clause (*7*) is intended to secure that depletion of deposits through their being used to meet claims shall be made good.

Clause 6.—Sub-clause (*1*) makes a general reservation as to deposits, saving them for meeting liabilities arising out of policies of insurance; and sub-clause (*2*) provides that each of the four classes of deposits is primarily liable only for liabilities attaching to policies of its own class.

Clause 7. Act VI of 1912 made no specific provision for the return of deposits. This was however included in the 1925 Bill. This clause reproduces clause 16 of the Bill of 1925. With this clause may be compared clause 45 which reproduces clause 50 of the 1925 Bill providing for the return of deposits, when the business is being wound up.

Clause 8.—Separate assets are required to be kept only in respect of life insurance business, but separate accounts are required for each of the four main classes into which insurance business is divided.

Sub-clauses (*2*) and (*3*) reproduce sections 5 and 6 of Act VI of 1912.

Clause 9.—This is intended to require that an Indian insurer shall in respect of all business and a non-Indian insurer, including a Lloyds' agent, shall in respect of business transacted in India, prepare—

(*a*) a balance-sheet;

(*b*) a profit and loss account whenever he combines any two or more of the business of life, fire and marine insurance, and even if he only does the single business of miscellaneous insurance. The provision relating to miscellaneous business has been made because in the case of miscellaneous insurance, a profit and loss account is necessary to enable the gain or loss on the different sub-classes included in this class to be ascertained as this may not be able to be done from the revenue account for miscellaneous insurance; and

(*c*) a revenue account for each of the four separate classes of business.

Clause 85 (*2*) (*b*) enables rules to be made defining what shall be deemed to be insurance business transacted in British India, if such definition is necessary.

Sub-clause (*2*) is based on paragraph 120(*b*) of Mr. Sen's report, page 33. Under the Indian Companies Act, 1913, companies are already required to supply this information, but there may be Indian insurers who are not subject to that Act.

Sub-clause (*3*) allows two years for the transition from the financial year to the calender year as the year of account, since sub-clause (*1*) now makes the latter the year of account.

This clause, read with Schedules I to III, incorporates the Second, Third and Fourth Schedules of the Clauson Bill with the modifications necessary to adapt them to Indian conditions.

The effect of sub-clause (*1*) (*d*) is to secure that nearly all the details specified in section 7 (*e*) of Act VI of 1912 have to be supplied with the Revenue Account (*See* regulation 6 of Part I of the Third Schedule).

Clause 10.—Act VI of 1912 provides for the audit, in such manner as may be prescribed, of the accounts of life insurance companies and the Indian Companies Act requires companies, subject to that Act, to undergo audit.

This clause provides for the general audit of all Indian insurers and for the audit as to business transacted in British India of non-Indian insurers, requires the auditors to be persons qualified under the Indian Companies Act, and incorporates the provisions of section 145 of that Act requiring the auditors to report on the accounts audited.

Clause 11.—This follows clauses 25 and 26 of the 1925 Bill, which enlarges section 8 of Act VI of 1912, but incorporates the two Schedules referred to in clause 8(*2*), (*3*) and (*4*) of the Clauson Bill, with however considerable modifications to adapt them to Indian conditions.

Clause 12.—Regarding the special provision made in the proviso to sub-clause (*1*) for non-Indian insurers, *see* paragraph 285 of Mr. Sen's report, page 86.

Sub-clause (*3*) gives effect in a modified form to the recommendation made in paragraph 285 of Mr. Sen's report, page 86. It is drafted so as to give to foreign insurers the option of supplying copies of the balance-sheets, profit and loss accounts, etc., of their general business, instead of abstracts, if it is found more convenient by them.

Clause 13 is designed to meet the difficulty that would be experienced by external insurers operating through a branch or agency in British India in supplying the accounts referred to in clause 9 for that portion of their business which is carried on in India unless a complete severance was made from the parent concern. Shareholders' capital, for example, and the majority of the assets could not be allocated in a balance-sheet in respect of a fraction only of the insurer's whole business, and similar difficulties would arise in preparing a separate profit and loss account for a fraction of the whole business. The returns made to the Board of Trade in England or to the Governments of countries which have made adequate provision for the control of insurance, supplemented by the information contained in the special revenue accounts for business transacted in British India which are required by this clause will, it is thought, supply all the information which it is necessary to obtain.

Clause 14 reproduces section 13 of Act VI of 1912 and clause 58 of the 1925 Bill.

Clause 15 reproduces section 12 of Act VI of 1912 and clause 34 of the 1925 Bill.

Clause 16 reproduces clause 35 of the 1925 Bill but was not included in Act VI of 1912.

Clause 17 reproduces section 14 of Act VI of 1912 and clause 36 of the 1925 Bill.

Clause 18 is based on clause 30 of the 1925 Bill, but has been expanded to include the recommendations contained in paragraph 148(*d*), (*e*) and (*f*) of Mr. Sen's report, page 42, and the safeguard mentioned in that paragraph at the top of page 43.

Clause 19 embodies the recommendation in paragraph 136(*ii*) of Mr. Sen's report, page 39.

Clauses 20 and 21 reproduce clauses 37 and 38 of the Bill of 1925 and sections 29, 30 and 28 of Act VI of 1912.

Clause 22 reproduces clause 39 of the 1925 Bill.

Clause 23.—Sub-clause (*1*).—*See* paragraph 110(*a*) of Mr. Sen's report.

Sub-clause (*2*).—*See* paragraph 282 of Mr. Sen's report.

Sub-clause (*3*).—*See* paragraph 110(*c*) of Mr. Sen's report.

Sub-clause (*4*).—*See* paragraph 110(*b*) (*2*) of Mr. Sen's report and clause 9 of the 1925 Bill.

Clause 24.—This clause is intended to bring about the abolition of managing agents.

Clause 25.—*See* paragraph 148(*g*) of Mr. Sen's report, page 42.

Clause 26.—*See* paragraph 148 of Mr. Sen's report, page 43, and clause 21 of the Clauson Bill. No provision is however made for charging the expenses of the investigation here and in the preceding clause to the insurer.

Clause 27.—*See* clause 31(*2*) of the 1925 Bill and section 37(*2*) of Act VI of 1912.

Clauses 28 to 30.—*See* paragraph 158(*a*) of Mr. Sen's report and clauses 13, 14 and 25 of the Clauson Bill. The 1925 Bill has been recast to some extent in the light of the Clauson draft.

Clause 31.—*See* paragraph 173A of Mr. Sen's report.

Clause 32.—*See* paragraph 194 of Mr. Sen's report.

Clauses 33 to 35.—These contain the proposals for limiting commission prohibiting rebates, and licensing insurance agents.

Clause 33.—Sub-clause (*1*) embodies paragraph 213(*4*) of Mr. Sen's report with certain modifications.

Sub-clause (*2*) imposes restrictions on the payment of commission.

Clause 34.—*See* paragraph 215 of Mr. Sen's report.

Clause 35.—*See* paragraph 213(*1*), (*2*) and (*5*) of Mr. Sen's report.

Clause 36.—*See* paragraph 213(*3*) of Mr. Sen's report.

Clause 37.—*See* paragraph 306 of Mr. Sen's report.

Clause 38.—*See* paragraph 205 of Mr. Sen's report.

Clauses 39 to 47.—*Winding up*—

Clause 39 embodies paragraph 150 of Mr. Sen's report with slight modifications.

Clause 40 is intended to safeguard the interests of policy-holders.

Clause 41.—*See* paragraph 153 of Mr. Sen's report. The Seventh Schedule of the Clauson Bill has had to be much simplified.

Clause 42.—This reproduces clause 17 of the Clauson Bill, sub-clause (*2*) of which was already in Act VI of 1912 as section 26A, with the omission of references to continuous disability business and capital redemption business, and the omission of clause (*b*) of the proviso.

Clause 43.—*See* paragraph 156 of Mr. Sen's report which was already in Act VI of 1912 as section 23.

Clause 44.—*See* paragraph 157 of Mr. Sen's report and clause 18 of the Clauson Bill.

Clause 45 reproduces clause 50 of the 1925 Bill.

Clause 46 reproduces clause 53 of the 1925 Bill and corresponds to the rule in Part II of the Seventh Schedule of the Clauson Bill.

Clause 47.—*See* paragraph 155 of Mr. Sen's report and also clause 54 of the 1925 Bill. It will be noticed that while sub-clause (*1*) applies to all classes of insurance business, sub-clause (*2*) applies only to life insurance business.

Clause 48.—This clause, taken with the provisions of clause 3(*3*) of the Bill, supplies the means of enforcing reciprocity in the treatment of Indian Insurance Companies abroad.

Clause 49.—*See* paragraph 236 of Mr. Sen's report, section 19 of Act VI of 1912 and section 12 of the Indian Insurance Companies Act, 1928 (XX of 1928).

Clause 50.—This clause embodies Mr. Sen's recommendation in paragraph 285(*a*).

Clause 51.—*See* paragraph 333 of Mr. Sen's report. Contrast section 2(*8*) of Act V of 1912.

Clause 52.—*See* paragraphs 349 to 351 of Mr. Sen's report, section 3 of Act V of 1912 and clause 59 of the 1925 Bill, which latter was designed to amend section 3 of Act V.

Clause 53.—*See* paragraph 366 of Mr. Sen's report. The expression "provident society" has been adopted for the purposes of the Bill to describe what had previously been known as provident insurance societies.

Clause 54 reproduces section 4 of Act V of 1912.

Clause 55.—*See* paragraph 342 of Mr. Sen's report.

Clause 56.—This clause re-enacts section 6 of Act V of 1912 requiring registration; but as the Superintendent of Insurance is henceforth to be the controlling authority, section 6 of Act V of 1912 needs considerable modification. Sub-clause (*1*) excepts societies already registered under the old Act, but, in order to compel them to make the deposits, which are now being introduced, sub-clause (*4*) provides for the cancellation of registration made under that Act. Of the grounds for cancellation the two in clause (*a*) are those contained in section 18 of Act V of 1912, together with that set

out in paragraph 368(A) (*f*) of Mr. Sen's report, that in clause (*b*) is intended to enforce the provisions of clause 58 as to deposits, and that in clause (*c*) is based on the fact that by clause 39(*2*) (*b*) (*ii*) of the Bill this is a ground for putting an insurer into liquidation.

Clause 57.—*See* paragraph 324 of Mr. Sen's report.

Clause 58.—*See* paragraph 320 of Mr. Sen's report.

Sub-clause (*2*) provides for payment of interest on the deposit to the society, for substituting other securities for those deposited, for making good depletions of deposits and for reserving deposits for the satisfaction of policy-holders' claims.

Clause 59.—This expands section 5 of Act V of 1912, as recommended in paragraph 327 of Mr. Sen's report.

Sub-clause (*2*) provides for bringing existing societies into line.

Clause 60.—This reproduces section 8 of Act V of 1912, as modified by paragraph 328 of Mr. Sen's report.

Clause 61 reproduces section 9 of Act V of 1912.

Clause 62 reproduces section 12 of Act V of 1912.

Clause 63 reproduces section 11 of Act V of 1912.

Clause 64.—*See* paragraph 352 of Mr. Sen's report.

Clause 65.—Sub-clause (*1*) expands section 13 of Act V of 1912 on the lines proposed in paragraph 354 of Mr. Sen's report. As the year of account is changed to the calendar year, sub-clause (*3*) is designed to give the societies time to change from one system to the other. In sub-clause (*2*) clause (*b*) reproduces the substances of section 15 of Act V of 1912. This is necessary to enable clause 54 to be enforced.

Clause 66.—*See* paragraph 357 of Mr. Sen's report.

Clause 67 provides for the supply to the Superintendent of Insurance of the necessary returns and for the supply of copies thereof to the members or policy-holders.

Clause 68.—*See* paragraph 367 of Mr. Sen's report.

Clause 69.—*See* paragraphs 353 and 358 of Mr. Sen's report. Sub-clause (*1*) provides all that is necessary to secure separate accounts of the various classes of business done by provident societies.

Sub-clause (*2*).—It is considered that, as in the case of insurers, a separate fund should be maintained for life assurance business. Of this term there is no definition in the Bill, though it was defined in Act V of 1912. The scope of the proposed separate fund is defined with reference to the contingencies specified in clause 51.

Clause 70.—*See* paragraph 360 of Mr. Sen's report.

Clause 71 reproduces section 16 of Act V of 1912.

Clause 72.—*See* paragraph 363 of Mr. Sen's report. See also section 17 of Act V of 1912. The clause, as drafted, makes no provision for charging the society with the costs of an enquiry as it is thought these should be borne by Government.

Clause 73 to 76.—*Winding up and Liquidation.*—*See* paragraphs 368 to 374 of Mr. Sen's report.

(*a*) Winding up by the Court may be done in the case of provident societies being companies in any of the circumstances in which companies may be wound up by the Court under the Indian Companies Act and also on the special ground contained in sub-clause (*2*).

(*b*) The voluntary winding up of a provident society being a company is to be in the manner provided by the Indian Companies Act, but only for the reasons stated in sub-clause (*3*).

(*c*) Provident societies that are not companies to which the Companies Act applies cannot be wound up under that Act at all. So this Act has to provide for them.

Sub-clause (*4*) makes the only provision that there is for such societies, that is to say, voluntary winding up on a resolution by the proprietors, compulsory winding up on an order by the Superintendent of Insurance. Clause 75 applies to such cases as well as to winding up under the Companies Act and clauses 76 and 77 will also so apply.

Clause 74.—This clause gives effect to the last portion of paragraph 368 of Mr Sen's report, page 111.

Clause 75.—Sub-clause (*1*).—*See* paragraph 368A (*ii*), page 111, and paragraph 368 of Mr. Sen's report.

Sub-clause (*2*).—*See* paragraph 372 of Mr. Sen's report.

Clause 76.—*See* paragraph 371 of Mr. Sen's report and sub-section (*2*) of section 19 of Act V of 1912.

Clause 77.—*See* paragraph 370 of Mr. Sen's report.

Sub-clause (*72*) read with clause 85(*2*) (*h*) enables supplementary provisions to be made regarding liquidation if the provisions contained in clauses 73 to 76 prove inadequate.

Clause 78.—*See* paragraph 375 of Mr. Sen's report.

Clause 79.—*See* paragraphs 376 and 389 of Mr. Sen's report.

The effect of this clause is to make all policies of whatever kind issued by a provident society assignable and capable of nomination, and not merely policies on a human life.

Sub-clause (*3*) gives effect to paragraph 381(*1*) of Mr. Sen's report.

Clause 80 reproduces section 20 of Act V of 1912.

Clauses 81 to 90.—These collect and consolidate miscellaneous provisions of Act V of 1912 and Act VI of 1912 and add a few minor provisions.

Clauses 81, 82 and 83 reproduce sections 34, 35 and 36 of Act VI of 1912 and sections 21, 22 and 23 of Act V of 1912.

Clause 84 reproduces section 38 of Act VI of 1912 and clause 3 (*2*) of the 1925 Bill.

Clause 85 reproduces section 37 of Act VI of 1912 and section 24 of Act V of 1912.

Sub-clause (*2*) is designed to carry over the existing Local Government rules regulating provident societies.

Clause 86 reproduces section 31 of Act VI of 1912 and clause 56 of the 1925 Bill.

Clause 87 is new and is inserted to provide against the possibility that the work of supervising provident societies might prove too extensive for the Superintendent of Insurance to do.

Clause 88 reproduces section 41 of Act VI of 1912 and section 26 of Act V of 1912.

Clause 89 makes an amendment in the Transfer of Property Act, 1882, consequential on clause 31.

Clause 90.—*See* paragraph 209(*1*) of Mr. Sen's report.

THE SCHEDULES.

The Six Schedules reproduce Schedules II to VII of the Clauson Bill with modifications.

Schedule I, corresponding to Clauson Schedule II.

Part I.—Regulation 1 has been simplified; the references to statutory funds in regulation 7(*c*) have been omitted and in regulation 8 the references to "feu duties" and "Lands and Heritages in Scotland" have been omitted, and the reference to "Freehold and Leasehold property" has been altered to correspond with the changed wording in Form A.

Part II.—Form A. There are only three columns on each side of the balance-sheet instead of five, as there is only one separate fund. Under the Liability side the sub-headings under "Balances of funds and accounts" have been altered to correspond with the four classes of insurance adopted in the Bill. On the Assets side the sub-heads under "Investments" have been modified on the lines of the balance-sheet contained in the Third Schedule of Act VI of 1912. Note (*b*) of Clauson is omitted and note (*g*), now (*f*), has been modified.

Schedule II, Clauson Schedule III.

Part I.—Regulation 3 has been modified as there is only one class of insurance in respect of which a separate fund is kept.

Part II.—Forms B and C have not been altered.

Schedule III, Clauson Schedule IV.

Part I.—Regulations 1 and 2 have been altered to meet the proposals of the Bill that while only in the case of life insurance including annuity business is there to be a separation of assets, in the case of the four classes of business into which insurance is to be divided there are to be separate accounts.

Regulation 6 omits references to "continuous disability business", "capital redemption business", and "industrial assurance business".

Regulations 7, 8 and 9 are modified in view of the fact that there is only one separate fund, namely, that for life insurance.

Among the Forms, Form E of Clauson has been omitted.

Schedule IV, Clauson Schedule V.

Parts IIB, IIC, III and IV have been omitted, and in consequence in Part I regulation 1 has been simplified.

Regulations 2, 3 and 4 and 9 and 10 of Part I have been omitted.

Regulations 5 to 8 of Clauson, now numbered 2 to 5, have been consequentially simplified.

In regulation 11 (now 7) the definition of "standard basis", necessary for the interpretation of Part IV of the Clauson Schedule, has been omitted. In view of the small volume of workmen's compensation business in British India, the complicated requirements of Part IV are unnecessary.

Schedule V, Clauson Schedule VI.

Parts III and IV have been omitted altogether. The only statement required by clause 11(*4*) of the Bill is the statement of life insurance business in force. Hence in Part I regulations 3 and 4 have been omitted and in Part II the reference to "industrial assurance" in the heading and in the proviso to paragraph 1 has been omitted. In paragraph 6 of Part II the reference to "Statements prepared under the enactments repealed by this Act" has been omitted, since no such statement was required under Act VI of 1912.

Schedule VI, Clauson Schedule VII.

Only the first paragraph of Part I has been retained. Paragraph 2 of Part I appears unnecessary. The rule contained in Part II appears in the body of the Bill.

Second Forecast of the Wheat Crop of Bengal, 1936-37.

(*Note.*—On an average of the five years ending 1934-35, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on has, in the five years ending 1934-35, averaged (*a*) 41·3 and (*b*) 9·7 per cent., respectively.)

Character of the season.—As stated in the first forecast, the weather was generally favourable for sowing and for early period of growth. Since then conditions were generally favourable except in Murshidabad and parts of North Bengal where want of sufficient moisture somewhat affected the crop. A satisfactory crop is, however, expected for the province.

Acreage.—According to the estimates of the District Officers the total area sown amounts to 149,500 acres this year as against 127,100 both in the corresponding and final forecasts of last year.

Outturn.—The average provincial outturn as worked out from the district estimates is 86 per cent. as against 67 and 70 per cent., respectively, in the corresponding and final forecasts of last year.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 25th February 1937.

Second Forecast of the Spring Oilseed Crops of Bengal, 1936-37.

(*Note.*—On an average of the five years ending 1934-35, the area under linseed in Bengal has represented some 3·6 per cent. and that under rape and mustard 11·6 per cent. of the total area under these crops in British India.)

Character of the season.—As indicated in the first forecast, the weather was generally favourable for sowings. Since then occasional showers proved beneficial for growth and development. Insufficiency of soil moisture in the latter part has, however, affected the crops in parts of the Presidency and Rajshahi Divisions. On the whole, a satisfactory crop is expected for the province.

Area sown.—Oilseeds are chiefly grown in the Rajshahi, Dacca and Presidency Divisions. In the other two divisions the cultivation is not extensive. The total area under these crops (excepting sesamum for which separate forecasts are issued) is returned at 916,300 acres this year as against 850,200 and 850,400 acres, respectively, in the corresponding and final forecasts of last year.

Outturn.—From the District Officers' estimates the average outturn of the different oilseed crops for the province works out at 82 per cent. of the normal as against 72 and 76 per cent. reported, respectively, in the corresponding and final forecasts of last year.

(3) If the presiding officer owing to illness or other unavoidable cause is obliged to absent himself from the polling station his duties shall be performed by such assistant presiding officer as has been previously authorised by the Magistrate of the district to perform such duties during any such absence".

(5) *Delete* rule 41.

(6) In rule 42, *for* the words "on the ground that he is not the person under whose name as entered in the voters' register he claims to vote" *substitute* the words "under rule IX".

(7) *Delete* rules 43, 43A, 43AA, 43B and 44.

(8) After rule 44 so deleted, *insert* the following rules:—

I. Votes shall be given by ballot and in person and no votes shall be received by proxy.

II. The presiding officer shall keep order at the polling station, shall see that the election is fairly conducted, shall regulate the number of voters to be admitted at one time, and shall exclude all other persons except—

(a) the assistant presiding officers, the candidates, and one agent of each candidate (hereinafter referred to as the polling agent) appointed in writing by the candidate and authorized in this behalf by the Magistrate of the district;

(b) the police or other public servants on duty; and

(c) such other persons as the presiding officer may from time to time admit for the purpose of identifying voters.

III. Each polling station shall be furnished with such number of compartments, in which voters can record their votes screened from observation, as the presiding officer thinks necessary.

IV. (1) The presiding officer shall provide at each polling station materials sufficient for the purpose of enabling voters to mark the ballot papers, instruments for stamping an official mark on the ballot papers, as many ballot boxes as may be necessary and copies of the final register of voters (hereinafter referred to as the electoral roll) or of such part thereof as contains the names of the voters entitled to vote at such station:

Provided that the ballot papers at each polling station in which votes are recorded for a special electoral unit shall be placed in a separate ballot box set apart for the purpose.

(2) The official mark shall be kept secret, and a period of not less than seven years shall intervene between the use of the same official mark at elections for the same thana.

V. Every ballot box shall be so constructed that the ballot papers can be introduced therein, but cannot be withdrawn therefrom, without the box being unlocked. The presiding officer at any polling station, immediately before the commencement of the poll, shall show each ballot box to be used at the poll to such persons as may be present in such station, so that they may see that it is empty, and he shall then lock it up and place his seal upon it in such manner as to prevent its being opened without breaking such seal, and shall keep it so locked and sealed.

VI. Immediately before a ballot paper is delivered to a voter, it shall be marked on the back with the official mark, and the number, name and description of the voter as stated in the electoral roll shall be called out, and the number of the voter shall be entered in a ballot paper list which shall be in Form A appended to these rules and a mark shall be placed in a copy of the electoral roll against the number of the voter, to denote that he has received a ballot paper, but no mark shall be made and nothing shall be written on the copy of the electoral roll to show the particular ballot paper which he has received. On the ballot paper list shall be entered the name of the thana and the name or distinctive number of the polling station:

Provided that if the thana is comprised in a special electoral unit, a separate ballot paper should also be delivered to the voter, in like manner, for recording his vote for a special candidate or candidates.

VII The voter, on receiving the ballot paper, shall forthwith proceed into one of the compartments in the polling station and there make a mark on the ballot paper against the name of the candidate or candidates for whom he intends to vote in accordance with the instructions set out on the back of the ballot paper, and fold it up so as to conceal his vote, and, after showing to the presiding officer the official mark, shall put the ballot paper so folded up into the ballot box. Every voter shall vote without undue delay and shall quit the polling station as soon as he has put his ballot paper into the ballot box:

Provided that if a separate ballot paper has been also given to the voter to record his vote for a special electoral unit the voter shall record his vote on such ballot paper in the manner provided in this rule and shall, thereafter, put the ballot paper in the separate ballot box provided for the purpose.

Note.—No objection shall be taken to a voter on the ground that he does not want any secrecy in his voting.

VIII If the voter, owing to illiteracy or infirmity, is unable to read a ballot paper or to make a mark thereon, the presiding officer shall mark the vote or votes in the ballot paper according to the direction of the voter. The voter shall then himself or with the assistance of the presiding officer put the ballot paper folded up into the ballot box.

IX. At any time before a ballot paper is delivered to a voter the presiding officer or the assistant presiding officer may of his own accord, if he has reason to doubt the identity of the voter or his right to vote at such station, and shall, if so required by a candidate, put to the voter the following questions:—

and the voter shall not be supplied with a ballot paper if he refuses to answer any one of the questions and unless he answers the first question in the affirmative, the second question in the negative, and, at a general election, the third question also in the negative.

Such ballot paper (hereinafter referred to as a tendered ballot paper) shall be of a colour different from the other ballot papers and, instead of being put into the ballot box, shall be

A voter who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper may, on delivering it to the presiding officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt paper and the latter shall, together with the entry relating to it in the ballot paper list, be marked as cancelled.

XIII. Where there is only one polling station in the thana the presiding officer shall, on the conclusion of the poll, open the ballot boxes and scrutinise and count the votes before the candidates or their representatives duly authorized under rule XVII who may be present, in the manner laid down in these rules.

XIV. At a thana election or at an election in a special electoral unit, where there is more than one polling station the presiding officer of each polling station, as soon as practicable after the close of the poll, shall in the presence of any candidates or polling agents who may be present, make up into separate parcels and seal with his own seal and the seals of such candidates or polling agents as may desire to affix their seals—

(1) each ballot box in use at each station unopened but with the key attached and the slit in the lid sealed up;

(2) the unused ballot papers;

(3) the tendered ballot papers;

(4) the spoilt ballot papers;

(5) the marked copy of the electoral roll;

(6) the ballot papers lists; and

(7) the tendered votes list;

and shall deliver such packets or cause them to be delivered to the presiding officer nominated by the District Magistrate in this behalf as chief presiding officer.

XV. The packets shall be accompanied by a statement made by the presiding officer, showing the number of ballot papers, or the number of ballot papers for the recording of votes for special candidates entrusted to him and accounting for them under the heads of ballot papers in the ballot box, unused, spoilt and tendered ballot papers.

XVI. The chief presiding officer shall, as soon as may be practicable after the close of the poll, appoint a date, time and place for the counting of votes and shall give notice in writing thereof to all candidates.

XVII. (1) No person shall be allowed to be present at the counting of the votes except the presiding or chief presiding officer and such persons as he may appoint to assist him in counting the votes, and each candidate and one representative of each candidate authorized in writing by the candidate.

(2) No person shall be appointed to assist in counting the votes who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election.

XVIII. On the day and at the time appointed under rule XVI the presiding or the chief presiding officer, as the case may be, shall proceed as follows:—

(*a*) The ballot box or boxes relating to each polling station shall be opened one after another, and the presiding or the chief presiding officer shall take out the papers therefrom, count them or cause them to be counted, and record the number thereof in a statement. Such statement shall not be shown to any candidate or his representative duly authorized under rule XVII.

(*b*) After the number of ballot papers received in each box from each polling station has been recorded, the ballot papers from all the ballot boxes which contain ballot papers on which votes for special candidates have been recorded shall be mixed together; similarly the ballot papers from the remaining ballot boxes shall also be mixed together. They shall then be sorted according to the candidates for the ordinary or special seats for whom they have been cast, and distributed in convenient bundles to persons appointed to assist in counting the votes and thereafter the presiding or the chief presiding officer shall allow the candidates, and any representatives duly authorized under rule XVII, reasonable opportunity to inspect without handling the ballot papers, and shall on every ballot paper which is rejected endorse the word "rejected". If any candidate or representative present questions the correctness of the rejection, the presiding or the chief presiding officer shall also record on the ballot paper the grounds for the rejection. No candidate or representative shall be allowed to see the serial number on the back of any ballot paper.

(*c*) The presiding or the chief presiding officer shall, as far as practicable, proceed continuously with the counting of the votes; and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates or representatives as may desire to affix their seals, and shall cause adequate precautions to be taken for their custody.

XIX. (1) A ballot paper shall be rejected if—

(*a*) it has not the official mark on its back,
(*b*) the number of votes recorded thereon exceeds the number of vacancies to be filled,
(*c*) no vote is recorded thereon,
(*d*) it is void for uncertainty, or
(*e*) it bears any mark by which the voter can be identified.

(2) The decision of the presiding or chief presiding officer as to the validity of a ballot paper shall be final.

XX. The chief presiding officer shall not open the sealed packets of the tendered votes, the marked copy of the electoral roll or the ballot paper lists. He shall verify the statements submitted by the presiding officers under rule XV by comparing them with the number of counted votes and rejected ballot papers, the unused ballot papers in his possession and the tendered votes list, shall then reclose and reseal each packet which has been opened by him, and shall record on each packet a description of its contents and the date of the election to which it refers.

XXI. (1) In a thana election when the counting of the votes has been completed, the presiding or chief presiding officer, as the case may be, shall forthwith declare the candidate or candidates to whom the largest number of votes has been given to be elected:

Provided that where a special seat has been allocated to a thana, the presiding or chief presiding officer shall—

(*a*) first decide the result of election to the special seat, declaring the special candidate to be duly elected who has received the largest number of votes, and

(*b*) then decide the result of the election to the ordinary seat or seats declaring to be duly elected among the remaining candidates, the candidate or candidates who have received the largest number of votes.

(2) No candidate shall be declared to be duly elected under sub-rule (1) unless at least 10 per cent. of the registered voters of the thana have appeared and recorded their votes.

(3) If 10 per cent. of the registered voters for the thana have not appeared and recorded their votes, the presiding officer or chief presiding officer shall report that the voters have failed under section 10 to elect the number of members for the local board fixed for such thana.

XXII. (1) If the thana is a part of a special electoral unit the presiding officer or chief presiding officer, as the case may be, shall declare the result of election to the ordinary seats and announce publicly the number of votes cast for each special candidate and forward the records in a sealed cover to the Magistrate of the district for declaration of the result of the election to the special seats.

(2) The Magistrate of the district shall on receipt of the reports under sub-rule (1) from the presiding officers of all the thanas comprised in the special electoral unit, declare the special candidate or candidates to be duly elected who received the largest number of votes.

XXIII. The presiding or chief presiding officer, as the case may be, shall, in other cases without delay, report the result of the election to the District Magistrate and shall prepare and certify a return setting forth—

(*a*) the names of the candidates for whom valid votes have been given,

(*b*) the number of valid votes given for each candidate,

(*c*) the name or names of the candidate or candidates elected,

(*d*) the number of votes declared invalid, and

(*e*) the number of tendered votes given.

In the case of a thana election or an election in a special electoral unit where there is more than one polling station the return shall also set forth the result of the verification referred to in rule XX. The presiding officer or chief presiding officer shall forward a certified copy of the return to the District Magistrate. He shall also permit any candidate, or any representative duly authorized under rule XVII by the candidate, to take a copy or an extract from such return.

XXIV. The presiding or chief presiding officer shall, after reporting the result of the election, forward the return (in original) and all the packets relating to the election in his possession to the District Magistrate.

XXV. While in the custody of the officer to whom they have been so forwarded the packets of ballot papers whether counted, rejected or tendered and of the ballot paper and tendered vote lists shall not be opened or produced except under the order of the District Magistrate or of a competent court.
